Hongkong, July 30th, 1889.

WE are glad to note, by a Bombay telegram that it is reported proposals have been laid before the Bombay Government for the establishment of a Mercantile and Trade Museum in Bombay on the model of similar the Continent. If this proposal be adopted it will be a step in the right direction, well calculated to promote the interests of commerce. It is to be boned that the movement could do the rest. Contributions from all parts would flow in, and the institution become a most raluable but so far it is still only in the inceptive 26 British subjects The alleged libel consisted stage. No doubt the plan will evenof keen competition and high pressure it is and Japan in civilisation. Query.—Who would essential that every commercial community should keep itself well posted, and that it should lose no opportunity of developing new branches of business. Of the value attached to such institutions by the Continental nations we have proof in the attention paid to them, especially in Germany, and no nor, finding the elequent words of his proclams. merchants have been more successful in tion have had no effect, lately proceeded in his dustries than the Germans. Not content the thickest. Here he struck at the root of the with making collections at home these enterprising traders are fitting out a floating flower embroidered boots which have so stirred exhibition of German goods which is to his anger, and these traders, in great clarm, lost East. If it pays to go to so much trouble, able goods to a place of secrecy. it will certainly pay Hongkong to establish a Trade Museum, where could be exhibited the productions of China and other countries of the Far East, in different stages, from the raw material to the man-Hall could form an annexe of a Trade on the establishment of the latter, but think this might be neefally done. The colis not too well adapted for the purpose. heinterest is taken in it by the resident community. That it is popular among the Chishown by the fact that with its present limited attractions upwards of 2,000 of them visit it every week. Greater numbers side of the face to the other.

would of course be attracted by a Trade Museum, and its educational advantages would undoubtedly be superior. Such an institution would be constantly receiving fresh contributions, and would, when necessary, spend money to procure them. parties in the famous suit "Benjamin The existing collection in the City Hall rarely | Wainewright," that the case has been finally tions, we beg to state that we continue to receives additions, and such as are made member that the defendant appealed to the consist of very occasional donations or loans, Privy Council against the decision of the Supreme which seem to grow rarer year by Having regard to the great importance of a Acting Chief Justice's decision must, after all. say a word before this case is called on? His Worship - I must first know the nature.

Mr. Resce—The summons is not taken out Mr. Freser-Smith-It does not matter what

Attorney-General had charged him with having Bird and Palmer as architects were placed in the report to which I refer, is not strictly attempted unnecessarily to damage the reputation their hands. Well, it might be that indirectly evidence, but as reported in that paper my tion of Messrs. Bird and Palmer. He (Mr. that question was involved, but any considera-client's words were "My apinion is that he was Francis) in the course of a telerably long tion of that sort must be entirely set uside from not sober," and I think if your Worship will professional career had had to ask a great their minds when they came to consider the refer to your notes you will see these were the many disagrecable questions which in many evidence. It was true perhaps in a certain sense words used. Now; I don't want to pulliate that cases might have caused annoyance, but that whatever the effect of these new works for a moment. My client ought not to have exhe had never in the whole course of his career had been Messra. Bird and Palmer were respon- pressed such an opinion whether well founded saked unnecessary questions or questions sible, but that was not a reponsibility that en- or not. I told him so and he expressed which he did not honestly believe had a bearing tered into consideration in this action except in his regret at having said those words. The jurors were :- Messrs. E. J. Coxon, H. on the case. He had never at any time allowed an indirect way. There was another suggestion I repeat now that he regrets having expressed Mr. Fraser-Smith-I have only to say I requested an apology to be made at once, which

> Mr. Resce-That is not the fact. Mr. Fraser Smith-It is the fact.

Mr. Rosco - What I wish to point out is that this matter does not arise in the present case, which is for malicious prosecution, but I think it right to make this explanation, that the moment he came out of court my client expressed regret and Mr. Wobber said he would arrange

Mr. Fraser-Smith-And, as to this having

was sober I will take his word for it.

Mr. Recce-There is no dispute about it. Mr. Fraser-Smith-It is the malice of the defendant I am prosecuting for, and when a man says i am drunk, as he did -if not, why should The Foreman-About five or six weeks prior | for which there was no justification at all.

Mr. Reece-Well, as to this case --"His Worship-You are going at present a great deal into what is not before me. What I am considering now is whether The Deputy Registrar-Was it the result of this is the proper form in which a case of this

Mr. Rouce-That is what I wish to address your Worshi son. The charge is mide under Section 17 of Ordinance 16 of 1875 The sec-The Deputy Registrar-Was it the result of | tion runs :- If it appears to a Magistrate, or witness to pay to the person aggrieved reasonable compensation not exceeding fifty exceeding lifty dollars, or to pay compensation and a fine not exceeding together the sum of lefty dollars." The charge is that Mr. Ough uninwfully and maliotously did prefer and make a complaint against the plaintiff theraby obtaining a summons without reasonable cause.

His Worship-The doubt I have is whether a question of this kind can be raised on summons. It seems to me the section means that the penalty shall be imposed at the end of the case, not that a fresh case shall be instituted. Mr. Fraser-Smith-Yes, but he did not go on with the case. He was not in Court. If he had been the case would have gone on and your Worship would have given compensation dis Worship -The way I read this section is that if on the hearing of a case the Magistrate considers there has been malice shown, he may

not only acquit the defendant but also punish the complainant, but I am doubtful whether fresh proceedings can be taken after the case has been dismissed. Mr. Fraser Smith-I am prepared to argue it before the Supreme Court if your Worship doubts it, but I call your attention as before to the Ordinance of 1845, which clearly gives mo the right. Mr. 1:0000-I am sure your Worship's view is

made the other day. Mr. Fraser Smith-His Worship declined to hear me on the subject. Mr. Rosce-Now the proper remedy is to in stitute a suit for malicious prosecution in the

Hayllar, but there was no doubt that there of 10 feet in length, and that they were careful pened to be present and saw the assault on the the hearing, not to any subsequent application. Mr. Fraser-Smith-I think it must be perfectly apparent this section would be altogether inoperative if that reading were adopted. It

divided into two subsections, first, was the in- extent of a foot or two at least. He asked of following up his summons against me, would be within the power of any one to go and jury to the foundations of the premises due to the jury to find that the verandah was stand- but he found it convenient to withdraw it. swear an information and obtain a summons and the laying of the foundations of the new wing ing on the 15th April, 1887, when Mr. Chater I objected to its being withdrawn, and your then never appear, and according to Mr. Reece's His Worship - He did appear on the first day. It was a bona fide charge. He asked permission to withdraw it. I was unable to give him that permission, but I could not compel him to go on with the case. Mr. Fraser-Smith-I did make an applica-

tion at the time, but your Worship refused to His Worship-No. Mr. Fraser-Smith-If you remember. I said he case would go further. His Worship-And I said I had nothing to
